Lilly Endowment Community Scholarships

The Community Foundation of Howard County is pleased to honor the recipients of the 2017 Lilly Endowment Community Scholarship. Thanks to the generosity of Lilly Endowment, two Howard County students will receive full-tuition scholarships, required fees, and a special allocation of up to \$900 per year for required books and equipment for four years of undergraduate study at any Indiana public or private nonprofit college or university. The recipients are **Victoria Combs** and **Elizabeth Foesch**.

Victoria, daughter of David and Lois Combs, is a Northwestern High School graduate. She was the president of National Honor Society and vice president of the Student Council. She was the president of the CyberTooth Robotics Team and a member of the Timmy Club. Victoria was a member of the track and field team for four years and competed in discus and shot put events. She is a Sunday school teacher at her church and has participated on Relay for Life teams. As a 4-H Club member, Victoria does volunteer community service work, cares for her animals and assists with 4-H events. Victoria's awards include FIRST Dean's List District Finalist, Distinguished Young Women of Howard County Academic Scholarship, Outstanding Junior Scientist Finalist and Female Athlete with the Highest GPA. She was a delegate for Hoosier Girls State.

Victoria Combs

Victoria plans to attend Butler University to study psychology.

Elizabeth, daughter of Mark and Jane Foesch, is a Taylor High School graduate. She has participated in marching, pep, jazz and concert bands, and the Kokomo Youth Symphony. She was a member of the school's tennis team, and participated in the robotics program and academic superbowl. Elizabeth's volunteer activities include reading to children at Bona Vista, working at the library's service desk, helping with Historical Society programs and Key Club. Her awards include Department Awards for math, biology and English. She was selected as a delegate for Hoosier Girls State.

Elizabeth Foesch

Elizabeth plans to attend Rose Hulman Institute of Technology to study biomedical engineering.

For 19 years Lilly Endowment has funded the Community Scholars program for outstanding students. The Community Foundation defined the criteria based on the Endowment's goal to "raise the level of educational attainment in Indiana." The criteria used in the Lilly Scholar selection process included: academic achievement, financial need, potential for success, preference for first-generation college attendees, school, community and work activities. There were 82 Howard County residents who applied for the scholarship.

For the 2017-18 school year, the Community Foundation of Howard County has awarded Howard County students 156 scholarships and renewals from 57 scholarship funds with an approximate value of \$638,812, including the two Lilly Endowment Community Scholarships.
